

How to become a Mason

Membership is open to every men and women age 18 and older, of all ethnic and religious backgrounds and who believe in a Supreme Being. Applicants must also meet the qualifications and standards of the Loge and the craft in general.

One of Masonry's many traditions is that we do not compel anyone to join the craft. The applicant, Men and Women must join on their own initiative. When you're ready to join, you can request information from our website or ask "one" and someone will contact you regarding membership.

La Meditation is part of the world’s largest Masonic organization. We are known as the Masons.

We believe that each person, is responsible for himself or herself and his/her community; which he/she improves with the beliefs that we all share.

We strongly believe in the strength of family, faith, country and brotherhood.

We strive to become examples by which we can make a difference, one person at a time.

Masonry can be many things to different people, but to “La Meditation” Masonry is :

- First and foremost, being inspired and informed
- Being Kind in the home
- Being Honest in business
- Being Dependable in any of your daily endeavors
- Moderation and self-control in social settings
- Congratulating the fortunate
- Being compassionate and assisting the weak.
- Resisting wickedness
- Forgiveness
